Lambuth University

As we enter the gates of Lambuth for the first time, there is a feeling of anticipation and fear... not knowing what lies ahead. From orientation to graduation, we walk a road filled with the benchmarks of success and failure, friendship and loneliness, laughter and tears. Somewhere along this road, we meet friends who can see us through the bad times and laugh with us through the good times and suddenly, we are not so alone. We begin to feel the spirit of community... the community of Lambuth. And as we pass back through the gates of Lambuth that final time, we can leave knowing we were part of something that does not end with the final chapel service. The spirit of Lambuth will grow each time we recall the faces and places that are so dear to our hearts.

We hope that this book will preserve some of your most wonderful memories of this year at Lambuth. It has been lovingly and thoughtfully prepared and is dedicated to the spirit of community here at Lambuth University.
